

Dear friends, neighbors, and members,

Hello and *Happy New Year!* The *Oradell Swim Club Board of Trustees* works throughout the year preparing for the upcoming swim club season and we look forward to another great summer.

Registration through **Community Pass is now open**. Rates are discounted by fifty dollars(\$50) for each membership type through April 30 and increase on May 1st.

To access the registration site please [Click here](#).

In addition to rising costs for goods and services, the State of New Jersey's minimum wage increases approximately 8% this year. As a result, membership dues will increase approximately 5% versus 2023. Please know the Board has worked hard to keep the membership dues increase to a minimum. We continue to look at ways to optimize operating costs in the current environment.

As in past years, your pool membership will include plenty of fun events for the whole family at the *Oradell Swim Club (OSC)*. Aside from our four beautiful pools, everyone can enjoy Wi-Fi, basketball & bocce courts, wiffle ball, a playground, discounted swim lessons, and the *OSC Pirates Swim Team*.

Our membership offerings include both bonded and annual (non-bonded) memberships. You do not need to be an Oradell resident to become a member, so, please spread the word! **For returning members, please ensure you are registering with the same account as in 2023. This is important to ensure your key cards will work for this year and it will save you time during the registration process.**

For general membership or operational "*Frequently Asked Questions (FAQs)*," including rates and our tentative 2024 operating hours, please visit our website at [www.oradellswimclub.weebly.com](http://www.oradellswimclub.weebly.com).

#### ***New Board of Trustee Members Needed!***

The volunteer *OSC Board of Trustees* has some Trustee's terms ending this year and the club needs new Trustees. The *Board of Trustees* oversees the overall operation of the Club. The Club must recruit and prepare new Trustees from its current Bondholders. If you are a Bonded member and want to learn more about this opportunity, please fill out this [interest form](#) so we can reach out to you. If you are not a Bondholder but are interested in a Trustee role, it's easy to become a Bondholder! We encourage you to fill out the [interest form](#) so that we can connect with you. We hope to continue the legacy of the Club and can only do that with a dedicated group of Trustees.

We look forward to seeing you in May!

Regards,

*The Oradell Swim Club Board of Trustees*
